1. Tokuhiro and Tokuhiro become brothers when their parents are murdered. Despite having opposite personalities, the result is ideal partners. After Tokuhiro sees Tokuhiro as his only way out of the family, he decides to protect this slightly irresponsible and otherworldly brother of his. In truth, Tokuhiro's body holds a secret, and because of this, their normal high school lives suddenly takes a deep turn.

2. Tokuhiro's mother, who was loved at sea, when he was still young, is in truth a person from from another world. When Tokuhiro discovered that she was being held captive, he decided to rescue her alone. Determined to protect Tokuhiro, Tokuhiro also followed him.

3. However, the world they arrived at appeared to be a hollow void of which it was rumored of the distant. Despite escaping a dangerous encounter through the help of Shroud, they were subsequently discovered by Lodurus. Not only were Takemura and Tsubasa separated from each other, but Tsubasa also became captured by slave merchants.

4. Takemura discovered that Tsubasa was on a ship headed for Kapsa, and decided to board Shroud's ship to rescue him. However, he also discovers that this is in fact a pirate's ship, and Shroud is the captain. Having suddenly become a pirate, what will happen to him.....

Once, on a certain ship,
everytime the captain retired
to his cabin,

he would
hear the sounds
of steel
striking against
boards.

It's reasonable
to say the
crew was
facing a
fate of
disassembly.

Even after
checking the
entire ship,
they couldn't
find anyone
who could be
responsible
for it.

When
they
stripped
down the
lower
sections
of the
boards.

Holy
Jesus!

When they
found this a
skeleton of a
worker who
had been
lost during the
construction
of the ship.

So he
was the
one making
the
dum dum

noise
every
night!

Quit

kinds of

dark just you guess,

Chapter 6: Amidst the Devil's Fog

It was my
decision to
follow Tsubasa
into this world.
Yet, he, not
I, was the one
who
died.

He'll always
live safely
in my heart.

I'll never
let you
go.

Thinking how
he may
just suddenly
disappear.

Because
of that
time, I
not only
thinking
about
being with
Tsubasa.

I promised
that I would
protect him.

To think that
I couldn't protect
him.

I PROMISED
THAT I WOULD
PROTECT HIM.

What a fine
man!

Must be
him!

Number
in this
heavy
armor-
plate.

Might
be
there
aren't
good

Might
be
that
where
there
is
no
man
and
the
color
is
color.

Must
be
him!

Indeed

I'm
crying
in
Silent

Hope
there
was
going
to
be
any
breaks.

There
is
nothing
about
the
silence

Maybe
right
at
least
some
time.

It's
such
a
boring
night

There
are
things
we
should
be
doing
around
here

What's
the
matter?
You
both
look
so
serious.

seems like it's the Spirit Mist after all, Captain.

I thought it was strange.

Spirit Mist?

The new members are getting wary.

The magnetic field is usually affected just before it appears. It was just beginning to feel that something was wrong.

Seems like I was right.

It's one of the many different types of Veps found all over. It's usually more rare.

OOOWAIIIIII!!

Boless,
who
screamed
just
then?

Oh,
I
see.

He was
on watch
up there,
so...

I
think
it's
Toku-
mizu.

Okay,
I got it,
leave
the rest
to me.

You
go
now,
don't
come
back
out.

Damn! It's so
cloudy everywhere
I can't see
anything!

Are
you
serious?

That's
normal

Take
care!

What
have
I
done
to
you?

Oh
no...

You seem
to be fine

Shroud?
Why are you
here?

Oh—

Talmond

Wake up,
Talmond

He wasn't
affected by
the mist as
much as I
thought since
he fought

The
mist. The
mist is
not as
bad

What
was that
suppose?

and I
let my
head
when I
tripped

Just then
a skeleton
appeared
out of the
mist. It
scared the
hell out
of me

On the
skeleton and
horrifying
scenes were
because of
the mist?

Sure
about?

Don't forget to close the door to prevent the mist from escaping.

Leave this to me! You run away quickly!

This must
be the stairs
connecting
the decks.

It's so
dark
I can't
see
clearly.

This place
looks
like the
cage area.

Where
am I?

What's
in there?

TSU...
TSUBASAO

I am
another
Tetsuuma
Sendou. A
true part
of yourself
that you're
aware of.

Little brother?
Want to
protect him?
Don't sound
so
humbleable.

What?

Shut
up...

Don't
worry,
Tetsuuma is
someone
you
desire.

THAT'S

ME...?

He's

DONT
SAY
ANY
MORE!

Just admit
it, you'd
feel
better
knowing
you
went
to

SHUT
UP!

You
want
to
dirty
things
up
for
the
love
you
don't
want

SHUT
UP!

Takemaru
Senshu
actually
wants
to
do
this.

-I-I-I-ECCI

Wah...
there you
monster

Tch...
even
you!

the author
shows 21st

You're
pretty
good

I haven't
had any
fun like
this for
a while

Nobody
has made
me bleed
for a
long time

This
should
teach
you

So,

Don't
young
master,
even you
have
been
foiled
by the
mist!

I thought
I had
enough
resistance
against
the mist

Guess
I'm not
up to
parade!

I'm
sorry,
it happened
so sudden
on...

I haven't
heard you
call me
'young master'
in a
long time.

Thanks.

Exhausted

Kate:
What is the meaning of this?

I'd have
much less
work to
do if
you all
did die.

Hai

Long ago

It was
a frantic
battle where
everyone
was fighting
each other.

But it's
lucky that
no one was
seriously
injured.
See.

What
for?

I'll
have
to investi-
gate.
It's com-
plicated.

But this
spirit
blast's effect
is pretty
amazing.

What's
with
calling
me Tami

I heard
you had
a deal
with
the
captain.

No
Tami

Why
was
that?

Can I
ask you
something?

You seemed
pretty
relaxed out
there in
the mist.

That's why
if you
want to be
able to
do that, you'd
need to train
yourself
constantly.

Just
your sword
skills or
some-
thing

I wasn't
really
relaxed

The mist
controls you
by attacking
your weak point.
As long as you
don't expose
your weak point
to it, it
can't do
anything.

But
that's not
something
that
everyone
can do
straight
away

If I
was to
practice
my sword
skills...

I should
be able to
become
stronger..

Oh, you
have
someone
you
want to
defeat?

By-
well

That
would
be -

— That night —

Can

I've called
Lenny...
I've called
Lenny...
I've called
Lenny...

WAAH

I hope
my
finger

NOAA
Leave
me
alone

Sheds of
whatever,
just living
in it.

No...
no
need
to be
afraid

Graciously —————

Any

Since I
can't rely on
any of you, I
haven't a
choice but
to find him
myself!

Those
who know
what he
looks like,
come with
me!

Hey!

Where
are you,
Takamaru?

for the
scheme-
judgment
from
Ezaboku-sama,
her father.

That is
because she
desperately
wishes

What
a brave
child!

Lads,
that's not
funny
when it
comes
from you!

What are
you fantasizing
about? I mean
they were
getting hit
and smelly
with sword
practice.

Left
side's
too
weak.

Tighter
below
the arm.

You've improved alot, there's even a crack in the sword

How could I let you catch up to me that easily

But no worries, you'll surpass me eventually!

Just as I thought I can't seem to compare with you Shroud

Puff

It's breath-taking
seeing it
for real.

I've
heard
about
that,

Floating
snow
coral?

We can't
possibly
sneak
through
that expanse
of coral.

And here
you are
talking
that
casualness.
How are
we
supposed
to leave
here?

but when
it is a full
moon, their
calls multiply
in order to
spare, and
we have
consequently
intruded
upon it's
territory.

Yeah,
usually
it's just
harmless
floating
material.

Don't
worry, after
the snow
coral appears,
it changes
to foam and
floats.

once
other ships
won't be
able to
approach
like that.

There
shouldn't
be any
problems
tougher.

Better
to keep
our
distance.

The sea
security
there is
very strict.

That's
All.

That's
Anson
Island.

Ha?

What
are you
looking at
Tokuemon?

Isn't it too dangerous?

Why did you all come with me?

But...

That's why we can't let you come alone, dummy.

Believe...

We're equipped with food.

And we need to stock up on food and booze while we're at it.

Thank you.

Presley, who is left behind to guard the boat?

They're gone, you can come out now.

This is...

Take your time.

Quick! That way!

You like it right?

Muray's most beautiful
directly from the place
of manufacture.

What?

I'll give you one word of advice

You'll know one day

What you carry is much more of a burden than you imagine. It's best for you to forget

about the things involving your mother

How? It should only be me and others who should know about it

Who are you exactly?

What!

Taking
all that
money!

Oh!

He disappeared...?

Why do
you
look like
that?

Christ,
500 for
this area!
What a
rip-off!

That
at the
least is
Kurosai

To the
hell
world
to see
you

General
Liber
Tsubasa
has
escaped.

This area
is causing
quite a
fuss.

They're
quite
ready.

Tokomura, leave this to us

That's right, they're comrades of the one under arrest

Happ!

Didn't you want to find Trebuchet?

Hurry!

Call
out if
you're
around
here!

But is
it really
okay?

Let's
wipe that
freak clean

I've
repented a
little about
what
happened
with
Tsubasa.

So you
need to
stop? I
didn't join
the fight
because it's
fun.

Go!

There's
a
certain
reasoning.

Where
are
you

If you're
here,
that means

Takuma
is close
by too?

Right?
Where is
he Takuma?

Takuma
must
mean!

You're
J

That
must
mean
that
Takuma

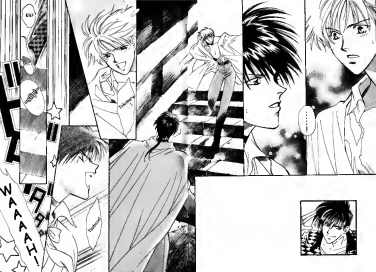

Why
are
you
here?

I'll take responsibility for them

Come stand up

Thank you so much

It's nothing

Starting from today, you will be residents of the Erumina ashram

Don't worry, let's go

I don't understand, there's nothing on it that late

He is the wealthiest man on this island, Simon-

That man is...

He often adopts orphans or slaves and they are able to be independent

Never mind as long as I earn profit I don't care

Yet he spends as much money as a slave. What a crazy man

He is an extraordinarily wealthy man.

Tellmann,
hang in there

It's not

Hey,
you

there

I'm saying that there's no way that threat is considerably

Oh, someone was here before us.

What's going to be killed soon after all.

What, did you mean by of course?

Those who stayed here have left one by one. I'm the last. No one has come back here except the two of you.

People started to offend his group perhaps

That's a matter.

and up being sacrificed for his pleasure and then killed.

No, don't

Dumb!

Don't

Here

He said

You just
let them
and they
leave.

It's... cold...
my body's nearly numb

It's... cold...
my body's nearly numb

It's... cold...
my body's nearly numb

But, it's strange...

Oh, it was because
I'm shivering
on that road...

my feet
feel hot...

Shouldn't you
want to be
cold on that?
Choose well

Oh
no...

Wanted

my own

The episode

Oh yeah, I've

my brother when
I want to believe

Despite thinking
he's sleeping
I still get attracted
to him...

A little

with an
innocent

he has

*If I could always

just like this...*

*I'd
probably
feel...*

The pole's
coming in...

Oh, I'm
sorry!

That
huh?, what
are you
doing
training?

Really
happy

44
WHAT
IS THIS?

That's
certainly
on my
side.

So I
become
your human
test subject,
huh?

You
should be
grateful
you
live.

You
were
needed
before,
weren't
you? You
were
shaking,
and came
down with a
fever.

With a
cure,
you're
back to
normal.

Oh, your
fever has
gone, your
mind has
been
completely
restored.

What's
going
on?

I found
Takamori's seal
but found
out sold to
the richest
man in the
city.

A
rich
man.

You said
Crane...

Yes.

To a wealthy
guy called
Crane, rumor has it
that he is an
incredible
person.

He

It's

Crane

He
is
very

He

How

I'm

going to

Oh,
there
it is!

Let
them

Give

It seems
we have

Oh yes,
we should

What are
you saying,
only the top
layers are

are just

stuff?

But we
have to
give our
troubles
deep, what
a shame.

Why are their clothes all torn apart as well?

Because at least 80 of our men to control them

Something wrong, Mr. President?

That's interesting for me.

No, it's nothing

Just dragging him out of the dungeons and dressing him was extremely difficult

Not at all, this is fine.

Since your taste was for rabbits, there are the only 2 here on the island

Which do you prefer?

His
expression
changed for
me to
observe him.

I'd like
to play
with this
dark-haired
one for
a bit.

Oh,
wow.

Please
experiment
with me
later.

To be
honest, I
find your
eyes very
appealing.

I trust
in my

But,
he's
going to
cause
a rift.

After all,
the boy
nothing
can be

Take

Take

Take

You're so

Thank
you

You're the son of Duke Marudo, huh?

It can't be...

Who are you?

Ah!

My parents died
killing you

under

For the

Galena you
that fell to

It isn't because
I wanted
you.

only
because
I wanted
you so
much

you refused

that was all
I could do

Please
don't tell
me

I loved
you

You should

Just like
the pain

To

Thank
that you're

It's the

In the morning
let's celebrate

Yeah

I'd love
them to stay.
It's like

Who exactly is Dead Eyes...? And what is the treasure that Shiroki wishes to seek? Few more readers feel a little cheated. So I think "Cielus" should undergo a slight transformation.

Scheduled July 2007 Cielus is due to be published by Gakken in the magazine "Zero" under a whole new story.

It can't be helped if people have lost faith at this point. But if you are still interested please stay posted for the latest news and meet Takemura, Tachibana and Shiohara once more!

I want to thank all those who have been supporting me, including you the readers! I couldn't be any happier than to know that people like the story. I will continue to strive towards my goal. Please also continue to support me!

Miguri Yon's Apertalk

Thank you everyone who has purchased this volume of Cielus. As you might have noticed, the story hasn't concluded. That is because the magazine it was serialized in "Zero" stopped publishing. Just when it was going to be continued in "Fobi", it also stopped publishing. Finally it was able to appear in the magazine "Mochizuki".

However, since Mochizuki specializes in Boy's Love, the story has become slightly different to how it first was. Even I think that the story hasn't been dealt with clearly. Although I decided to finish it, the story has ultimately remained inconclusive.

Can Tachibana and Takemura return home? What will be the fate of Alakbarin? Could Tachibana successfully master Alakbarin?
